### My Vision of India 2020.

"A Developed India by 2020, or even earlier, is not a dream. It need not be a mere vision in the minds of many Indians. It is a mission we can all take upand succeed." – Dr. A P J Abdul Kalam.

Your vision of India 2020 cannot be achieved without bringing a change in yourself, your home and your school.

# <u>Section –C</u>

### 'My School'

# CIRS, your school is your extended family and your home away from home.

- At CIRS, do we need to wait till 2020 to make our dreams come true?
- What then, is your vision of CIRS 2010? Your vision will become clear only when you look into your heart. What steps would you take to fulfill your vision of CIRS 2010?

It's not enough to have a dream, unless you're willing to pursue it. It's not enough to know what's right, unless you're strong enough to do it.
