

# SUMMER SHOWERS

Summer summer ,  
The season of hotness ,  
Eating ice creams ,  
Or maybe drinking something cold.

Running to the swimming pool,  
Under the shade of trees,  
Or maybe full time in AC,  
Are the best parts of summer.

**Cold days are over,  
And the summer season is here,  
The birds are chirping,  
And the sun is bright.**

**The amazing food,  
And beautiful skies,  
Trees fully green,  
And the open skies.**

**The shops flooded,  
Kids wanting ice cream,  
And some cold drinks,  
Are all about summer.**

# SUMMER SHOWERS

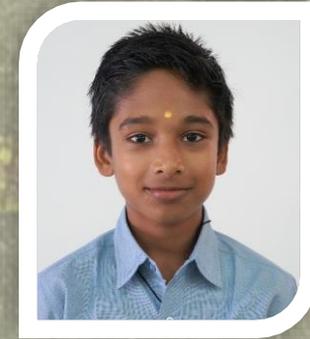

**It's summer,  
It will end sooner.  
There should be a big ice cream,  
It's everybody's dream.  
It was a short sleep,  
But it was so deep.  
Playing in the sun,  
I had loads of fun.**

# SUMMER SHOWERS

Summer holidays are like fun times,  
If we cross them, they become a memory,  
We enjoy the moment of fun,  
We talk longingly about it afterward.  
While we have fun, we don't think about it,  
But later we regret.  
The wait for the summers is long,  
But the time of the vacation is short.
