

# MY GURU – MY INSPIRATION

My guru is my inspiration

I love my guru.

He gives me good thoughts,

He talks to me to make me feel better

And is my friend too!

My guru is my family.

# MY GURU – MY INSPIRATION

Thoughts flow like Mother Ganga,  
Patience, like a tree.  
Wisdom, like Everest,  
Mind, like a computer  
Support, like a pillar  
Guidance, like a google map  
Strict, like a stick  
Energy, like lightning  
Heart, like pure gold.  
He's none other than  
My guru, my inspiration.

# MY GURU – MY INSPIRATION

You lead me on the right path  
And guide me in the right way.  
You're kind and don't get tensed,  
Your words are as sweet as honey,  
Your acts help me build my future.  
You're happy when we're proper!  
You get angry but it's for our good.  
You make me happy when I'm sad  
You're my Guru- my inspiration.

# MY GURU – MY INSPIRATION

Guru is the one who gives us knowledge,

Guru is the one who teaches us the right path.

A guru helps us in grief

A guru tells us what to do.

A guru is God Himself -

Who comes down to earth to teach and guide us.

# MY GURU – MY INSPIRATION

A guru is a teacher,  
The one who'll never leave our hand.  
A guru can make us reach our goals.  
We don't need to look for a guru,  
'Cause he's always in front of us.  
A guru will scold us to make us perfect.  
If he scolds us, it doesn't mean  
That he doesn't love us.  
We're blessed to get gurus who motivate us,  
And make us learn more things.  
This poem I dedicate to my special guru;  
My Mother!

# MY GURU – MY INSPIRATION

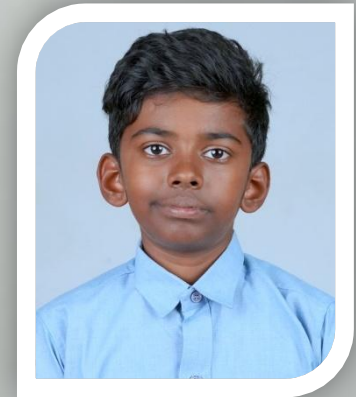

My guru is the best,  
My gurus are my teachers.  
They give us knowledge,  
And make us play games.  
They always help me in everything,  
They make me bold and strong.  
They motivate me and  
Make sure I'm on the right path.

Guru, you are my inspiration  
In so many different ways.  
You spread joy,  
You're so patient,  
You take everyone along in a race.  
Guru, you are so friendly that  
You can make the whole school your friend!  
These are some of the values I've learnt from you.  
You teach us so much more,  
Thank you, O! guru,  
My humble Pranams I offer to you!

# MY GURU – MY INSPIRATION

A Guru is a person who makes us shine.

A person brighter than the sun,

Who spreads his knowledge to make us shine.

A person who is like google,

A google of history, geography and civics.

The one who scolds yet loves us,

And corrects us all the time.

That's why he's my inspiration.

Guru is the one who gives us all the fun,  
When we fall, he lifts us all.

Motivates and carries us all.

# MY GURU – MY INSPIRATION

Gurus are parents, teachers and friends.

Giving us morals,

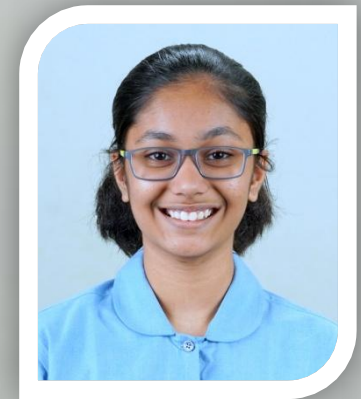

And helping us grow.

They are our inspiration: our teachers,  
Helping us in building ourselves.

They are our inspiration: our parents,  
For us they sacrifice many a time...

They are our inspiration: our friends,  
Helping us at every step.

They are all my gurus- my inspiration.

They help us get through the hard times.
