Rama, with his thoughts so bright,
Truly brings us all delight.
With Sita and Lakshman by his side,
He is the lord of strength and right.

The way all of them worked together,
Teaches that relations last forever.
They built the Ram Setu at last,
Crossing the ocean so vast ocean.

Ram, my god, my hero, my strength,
You've taught me those limits with no lengths.
He helps us mend our ways,
And his love will be there all day.

**Your strength and valour,
Has left the world a huge favour.
Your true love for others,
Shines brighter than any light I've ever known.**

**You were given exile for 14 years,
Leaving your loved ones in tears.
But still your feet resided on Ayodhya's throne,
And also my heart, which you own.**

**You fulfilled your dharma as a son,
A heart of gold, second to none.
Carried honor in every step you took,
A story of courage is written in every book.**
